## Global COE Group Workshop

### --Research and Standardization Activities on IEEE 802.16m--

Date & Time : September 22 (Mon), 2008      10:00-12:00  
Place : Meeting Room 103 at Research Building No. 1,  
Sponsor : Global COE Program  
            Center of Education and Research for  
            Information Electronics Systems  
Supporting : Transmission Engineering Research Committee

### Technical Program

10:00-10:40 :System Considerations for IEEE 802.16m  
                Yih Guang Jan (Tamkang University)

10:40-11:20 Interference Mitigation in IEEE 802.16m  
                Yang-Han Lee (Tamkang University)

11:20-12:00 Antenna System Technology for  
                Multiuser and Cooperative MIMO Communication  
                Naoki Honma (NTT)
