

**Symposium on Ultrasonic Electronics  
Young Scientist Award**

is presented to

***Saki Suzuki***

In recognition of the excellent presentation entitled

**“Examination of change in arterial wall viscoelasticity  
by internal pressure in ultrasonic measurement”**

as presented at the 43rd Symposium on Ultrasonic Electronics,  
November 7th-9th, 2022, Kyoto, Japan

伊藤 洋一

Youichi ITO  
Organizing Committee Chair  
The 44th Symposium on Ultrasonic Electronics

**USE**

November 14th, 2023
